

# Mentoring programme for people with refugee and / or migration experience

## May-November 2017

- Who are we looking for?** Do you want to start a business or set up a social/cultural initiative? Are you someone with refugee or migrant experience?
- Are you keen to get help moving forward with your idea and to make it a success?  
Do you want to work together with other talented people on your idea?
- What is it about?** The Capacity mentoring programme supports people with refugee and/or migrant experience in developing and establishing their own business or project idea.
- What do we offer?** Over a six month period (May-November 2017) participants will receive support to develop and establish their own business or project such as:
- One-to-one Mentoring
  - Workshops provided by experts in the Swiss business community
  - Regular co-working sessions
  - Networking events
- What do we expect?** An idea for a business or social/cultural initiative, which you are excited about and dedicated to developing as well as
- Status as a recognized refugee (Permit B) OR temporarily admitted refugee or person (Permit F) OR migrant
  - Previous work/project experience and/or higher qualifications
  - Participation fee based on individual financial capabilities
  - German to B2 standard – Workshops will be in German, conversation and mentoring can be in English
